

Honesty

Dr Shehzad Saleem

When darkness looms everywhere
When tyranny does cause a scare

When life and honour are at stake
When worries do keep us awake

When truth becomes an alien thing
When every rogue becomes a king

Pledge to honesty we must never break
Let us be forthright whatever the take

Fraud must be put to shame
Falsehood must hide in vain

Those who lie, cheat and deceive
Condemnation they must receive

Honoured must the honest be
Lauded 'n praised for this quality

Honesty does dazzle like the sun
War against deceit must be won
